CANADIAN WOODEN MONEY QUIZ by Tom Hudson:

1. This town put out broomsticks three different times in 1960 with three different dates.
2. In 1965 he put out 1 wooden penny (broomstick size). In 1961 his wooden pennies were larger as well as in 1962-63-64. Name the person and the city he is from.
3. Prescott put out woods in 1961 and in which other year?
4. Victoria Numismatic Society issued wood for its 5th Anniversary in which year?
5. What Spruce Dellar has a picture of a football player (cartoon) on it?

QUESTION???? Does anyone read this column. I have not heard any comments about it for some time. Am I wasting your time and space as well as my own? Personally I am learning alot about Canadian wood by adding this section to Timber Talk but would be interested in your comments. Also, if any members would like to examine their wood and compose a few questions Tom and I would appreciate it.

WOODEN MONEY TROPHY: Way back in January I wrote that Bruce Watts had donated a trophy, in the name of The CAWMC to be given out by the Oshawa District Coin Club. I omitted the winner: Norm Wells who had one of the three wood displays.

ctd....

The Trophy was a flat Wood Schrel, 10" x 12" with a brass plate inscribed:
Canadian Association
of
Wooden Money Collectors
Award

1st Wooden Money

Oshawa District Coin Club
15th Annual
Coin-A-Rama
Nov. 8th, 1975

I think other clubs could look to wood displays and wood categories. We do not have a Display Chairman, but it sounds like we should have one. Any requests for trophies from the CAWMC should be directed to the President (Garry Braunwarth - address under heading on Page one) or the Secretary-Treasurer (Bruce Watt - address also at top of Page one.) Our club is attempting to promote the display of wood across Canada. This includes at Coin Shows and also displays at shopping centers, in banks, museums, etc.

CANADIAN WOODEN MONEY QUIZ ANSWERS:

1. Dunville
2. A. M. McDonald, Halifax, N. S.
3. 1938
4. 1960
5. 1963 Grey Cup Issue

ARTICLES: WANTED your article for publication in Timber Talk. This can be an article on a specific piece of wood, series, how you got started collecting wood, how you track down these elusive pieces, etc., etc. They can be any length- from a paragraph to several pages. It is always interesting to read what others have to contribute. The more members involved in our hobby the better for all concerned. I have a couple of articles on hand to be printed in future issues of Timber Talk, as the Wood List Supplement is included with this issue. One is on the "Wooden Money of the Town of Iroquois Falls, Ontario" by Don Smith and the other is a most interesting personal anecdote by Ed Parker.

WOOD DISPLAYS: Frank Harding of Laura, Saskatchewan (C-16) had a most interesting display of Saskatchewan wood at the Calgary Spring Coin and Stamp Exhibition held March 5, 6, and 7th, 1976. Rumor has it that Frank will have a display at Torex April 1-4, 1976.

CLASSIFIED ADVERTISEMENTS: Present policy is to print ads from any member without charge. If you have a "Want", "For Sale" or "For Trade" request or list send it to the editor. The ads are printed where space permits. To date all ads associated with wooden money have been printed or are in the "To Be Printed" file.
